Qualsafe Level 2 Award in Fire Safety (Fire Warden)

£195.00 + VAT*

One Day Course

This course provides an accredited qualification in fire safety principles for those persons who have responsibilities as Fire Wardens or Fire Marshals. The course contains interactive classroom exercises and involvement in practical demonstrations. Successful completion of this course meets not only the mandatory requirements of the Regulatory Reform (Fire Safety) Order 2005 and the duties of the fire warden but also an understanding of basic fire risk and the controls necessary to help reduce those risks. *For further course details refer to the end of this booklet.* Practical Fire Extinguisher Training included. Certificate valid for 3 years.

Qualsafe Level 1 Award in Fire Safety Awareness

£85.00+ VAT

3 Hour Course

This course is designed to provide an introduction to fire safety and what to do in the event of an emergency. This training is ideal for new employees as part of their induction programme and as well as employees who have received no formal fire safety training in the past. A short multi-choice question paper is completed at the end of the session providing a valuable tool to record this important activity. *For further course details please refer to the end of this booklet.* Practical Fire Extinguisher Training included. Certificate valid for 3 years.

Fire Risk Assessment (incorporating Fire Safety for Managers) One Day Course

£220.00 + VAT*

A one day course designed to give managers and supervisors a better understanding of their responsibilities under current Fire Safety Legislation. Fire Risk Assessment is a statutory responsibility for the vast majority of workplaces. Managers should understand the need for a workplace fire risk assessment, interpret the findings of a report and implement any changes required.
